**Who are you?**

Who are you?

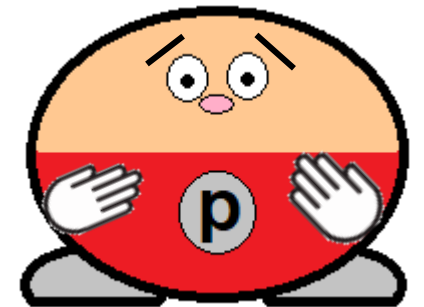

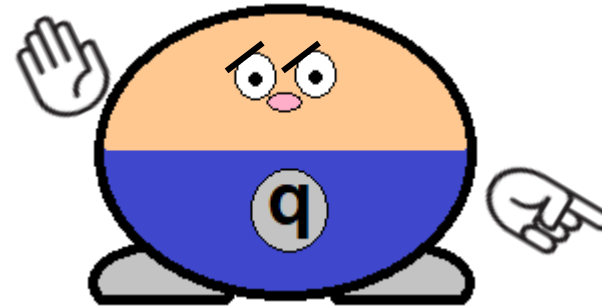

I am q.

You said who?

Who is me?

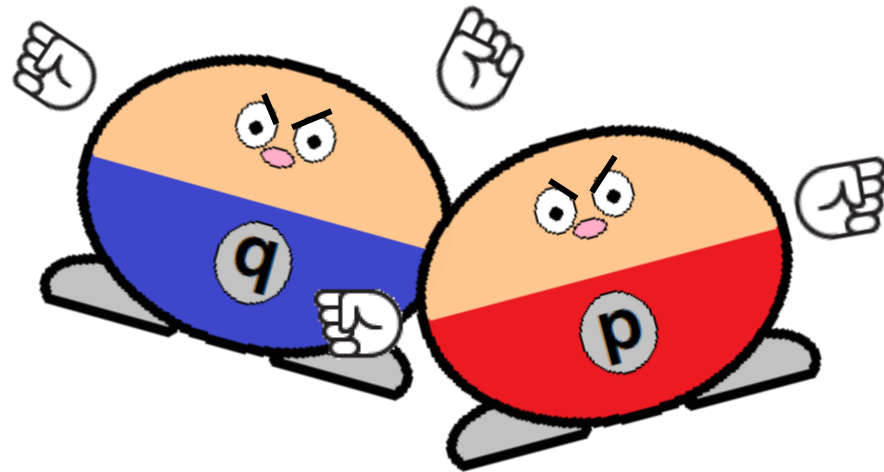

Well, I am p.

No, I said me!

Now listen here,  
It's crystal clear  
There isn't room for two.

I've never heard  
Such petty words  
Of course, they come from q!

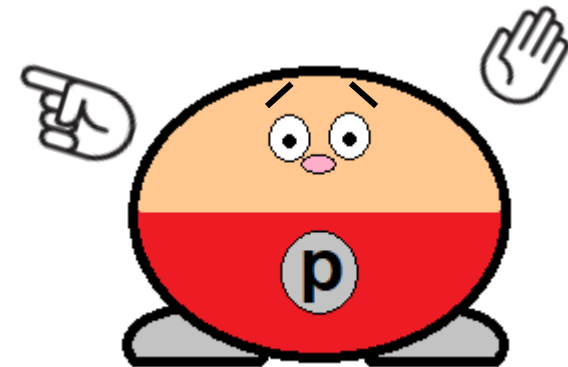

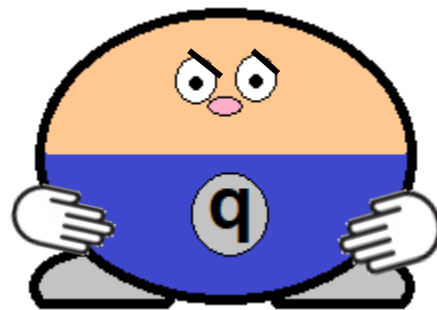

Now I am through  
With Mr. p.  
I have much more to see.

Just let me be!

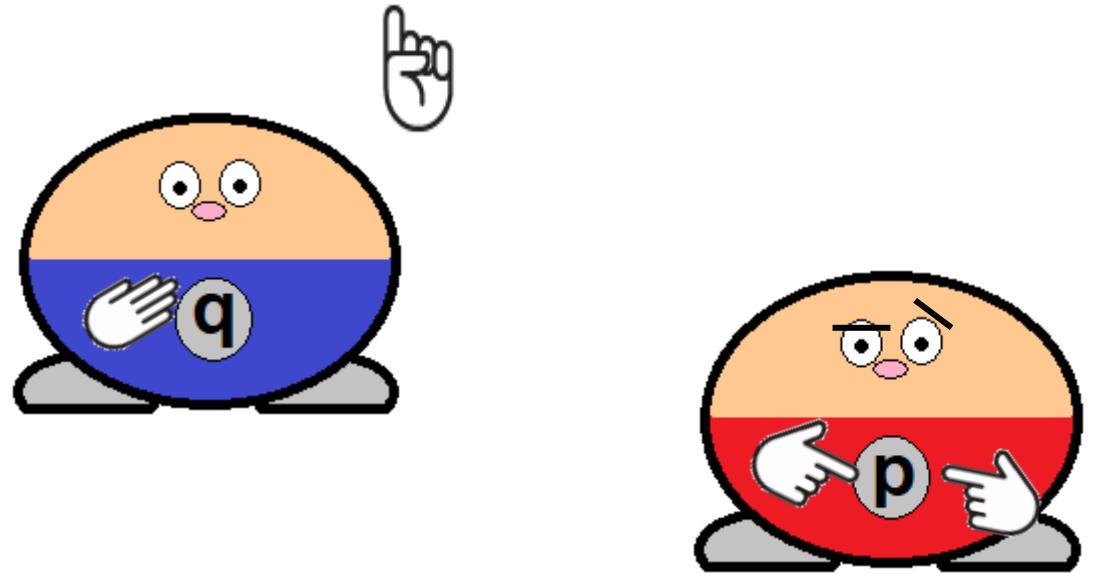

What did I do?

Just go Mr. q.

I came to say  
Just one or two  
Words that start with q

Start with q?  
How could that be  
As fine as those with p?

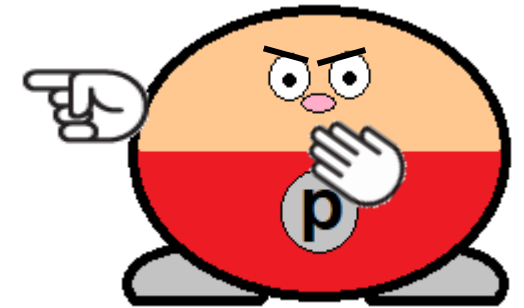

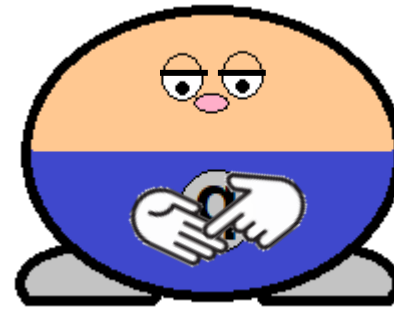

There's queen!

And pony.

Such a “phony”.

Well why don't you be “quiet”?

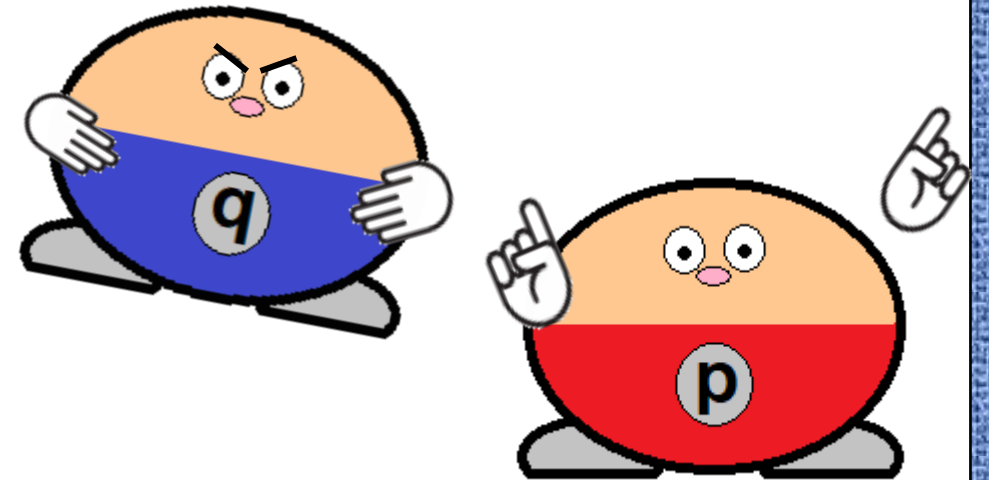

Why don't you just "quit"?

Oh you're the pits.  
You just don't know another.

Quarrel.  
Quibble.  
Quash.

That's a fight.  
A fight again.

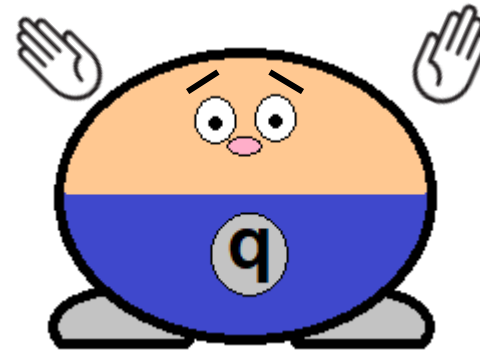

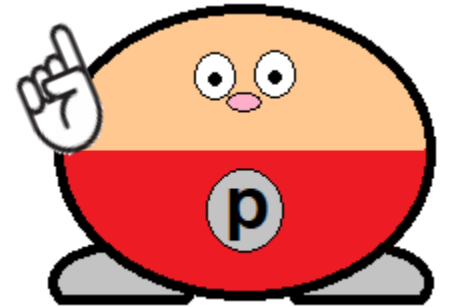

Oh brother!

And p words?

There are lots.  
Plenty, a pile, a peck!

Don't show off  
You never know  
when you're about to wreck.

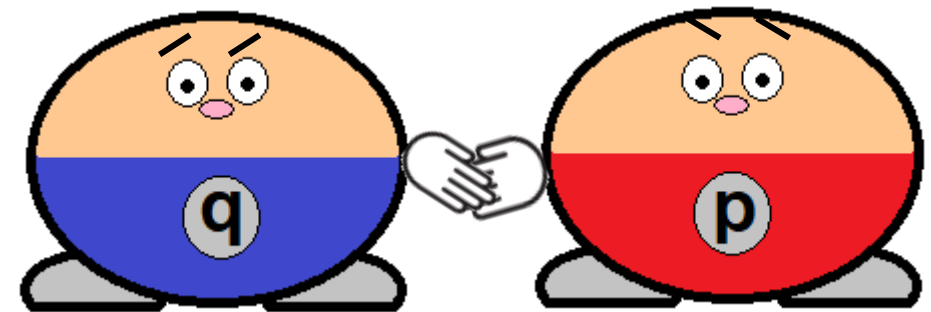

Look, can't we try  
to stop this fight?

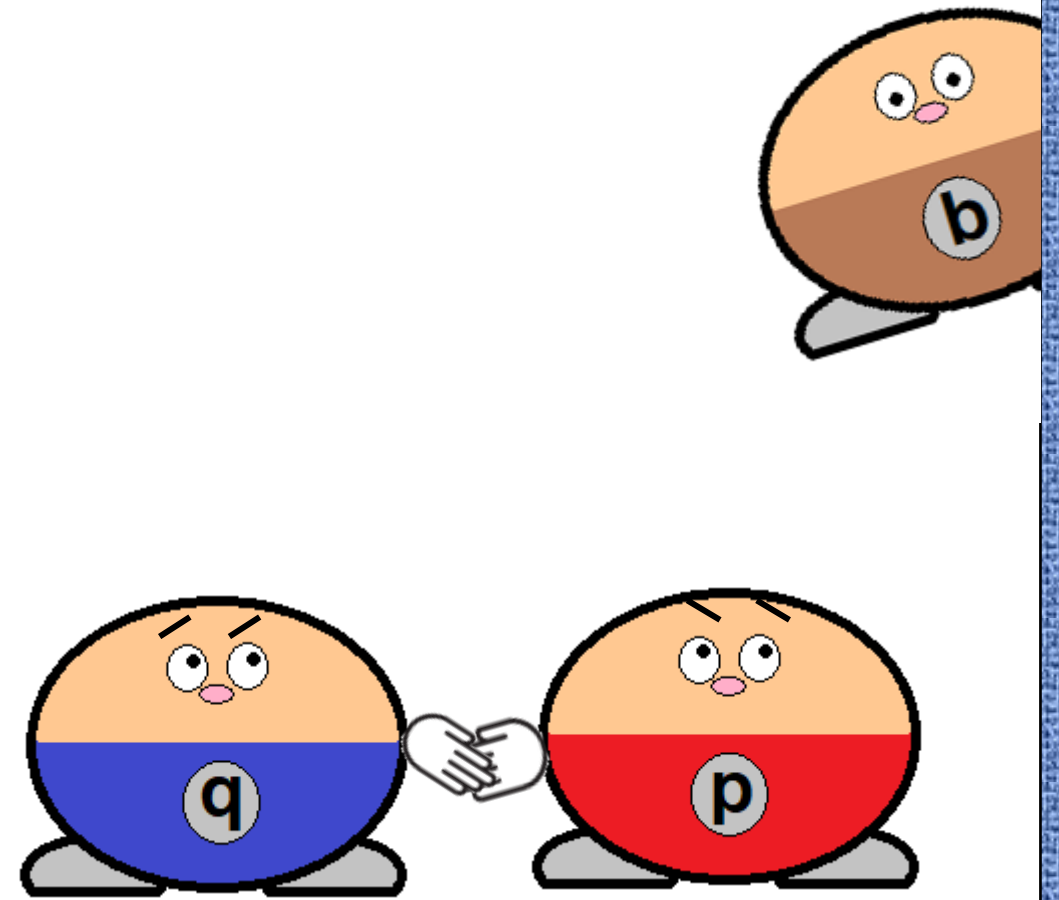

Well, I didn't pick it.

Yes, but couldn't  
we just call it quits?

Alright. Let's shake  
and agree to let it be.

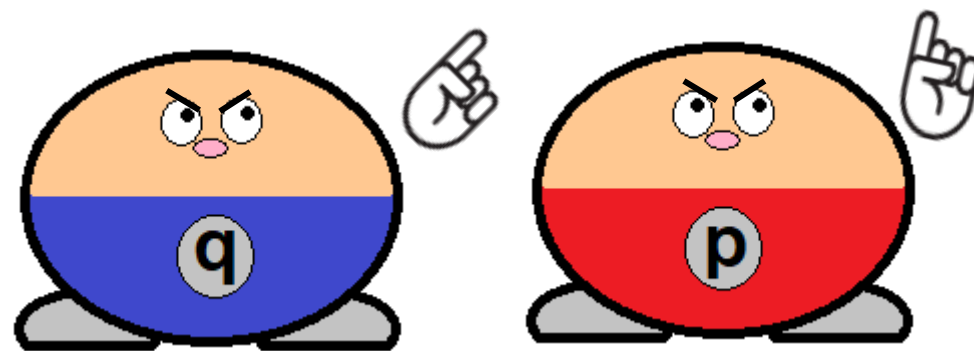

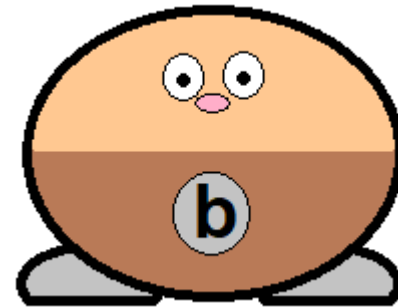

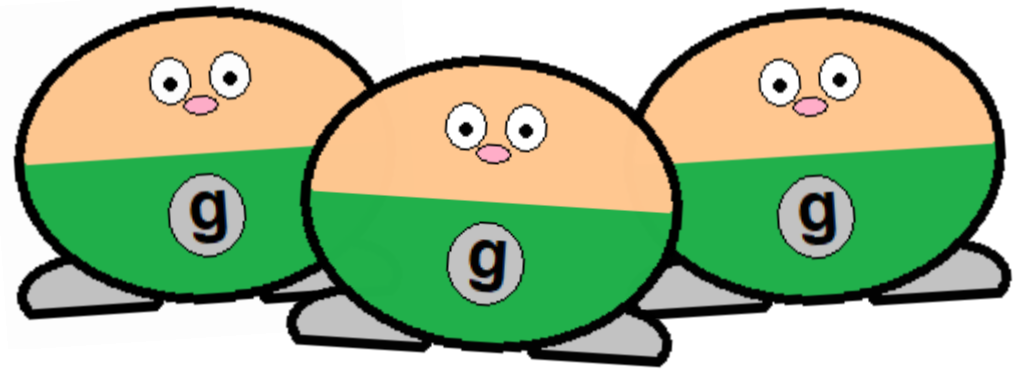

Did somebody call me?

Get OUT!

Get OUT!

Geez...
